## Free Disc Parking in Harrogate

Discs are available from many retailers or the Tourist Information Office free of charge. See the map above for areas where this is applicable, indicated in white with red borders. Free disc zones allow stays from 15 minutes to 3 hours free of charge subject to displaying a disc with the clock set to the time you parked your vehicle. Restricted hours for disc parking are usually 8am-6pm and free outside these hours. Discs may be required on Sundays and Bank Holidays on some streets. Refer to street signs for local restrictions. A disc must be displayed in your vehicle window.

## Free parking outside the Disc Zone

In the locations below there is some free town centre parking, although they may be busy at certain times of day. Always check the street signs in case of Harrogate Borough Council changes. It will serve as a guide if you need to park your vehicle all day, you do not need to display a disc here.

Victoria Avenue – off Victoria Road sections of this are free
